**ADDENDUM NO. 1
FOR THE REQUEST FOR QUALIFICATIONS FOR
CONSULTANT SERVICES FOR A CONSTRUCTION AND POST-CONSTRUCTION
STORMWATER MANAGEMENT PROGRAM**

The following questions have been asked regarding the above reference Request for Qualifications (RFQ). Answers (in italics) follow each question. These clarifications, revisions, additions and/or deletions are hereby made part of, and incorporated into the RFQ.

1. Is comb binding an acceptable method of binding the proposal?
If not, how would you like the proposal bound to meet the deliverable requirement identified in 4.2?
Comb binding or stapled binding is acceptable.
2. If we include a cover page for the response, will that be included as part of the page count?
Please include a Cover page for the SOQ which states that it is a:
***STATEMENT OF QUALIFICATIONS (SOQ) FOR CONSULTANT SERVICES FOR A
CONSTRUCTION AND POST-CONSTRUCTION STORMWATER MANAGEMENT PROGRAM***
And include your company name. This will NOT be counted towards the overall page count.
The Section divider sheets with tabs are NOT counted towards the overall page count.
3. Can plastic cover sheets be used in the binding of the proposal, e.g. front and back pages to provide support?
No.
4. If card stock is used in the binding of the proposal, e.g. front and back pages to provide support, will it be counted toward the maximum page count?
Card stock may be used for the front cover page and a blank back page to provide support and it will not be counted toward the overall page count.
